ANNUAL CHRISTMAS RECITAL
ASMIRA'S SCHOOL OF ORIENTAL BELLYDANCE**

THE BORGS ARE COMING!

Asmira invites you all to Shake, Rattle & Belly Roll into the festivities at the Metro Studio on Dec. 18th as her School of talented dancers will provide a variety of Middle Eastern music, dance & theatre. The School was founded by Asmira here in Victoria in 1987 & continues to grow & thrive & produce beautiful dancers and exciting theatrical choreographies.

Master Egyptian percussionist Mohamed Sadek & his drummers will be on hand with some exhilarating live music for the dancers and your listening pleasure.

Tribal Fusion instructor Rachel Oates gets into the Sci-Fi mode with a piece about two Mad Scientists who create their fantasy, dancing BORGS. Soon their fantasy goes awry as the BORGS attack their makers & are then stunned & killed on stage. No worries, they do manage to come back to life.

Asmira is happy to welcome to her team a talented new dancer and instructor from Bogata Columbia, Aisha Carof who will present Egyptian Sa'aidi.
